We are pleased to introduce ourselves as one of the prominent manufacturer and trader of a comprehensive range of thermoforming trays and packaging trays.

About Us

Established in the year **2009** as a manufacturer and trader of a highly efficient range of thermoforming and packaging trays, “**Krishna Industries**” has carved its distinct place in the industry. We manufacture a large product line which includes Thermoforming Trays, Blister Trays, Packaging Trays, and Fibre Reinforced Plastics, etc. Our range of products are widely appreciated by the clients for their durability, reliability, tear resistance and hygiene. Our vast distribution network and excellent logistics facility help us in timely delivering these products at the clients’ specified locations.

We have been successfully catering to the needs of our clients owing to our well-developed and equipped infrastructural facility. This facility is installed with hi-tech machines and tools that have a production capacity of 10 tons per month, which further reflects our ability to meet the clients’ orders on time. Our infrastructure is also divided into different departments to ensure hassle free business operations. All these departments are manned by our highly skilled professionals who have gained immense industrial experience. These professionals team up to understand the varied needs of our clients and fulfill them with utmost precision. Cutting-edge technology also helps our team to customize these products as per the requirements of our clients.

Leveraging on the skills and expertise of our mentor “**Mr. Krishna...**”
