Krushna Enterprises

<https://www.indiamart.com/krushna-enterprises/>

We are one of the Distinguished Suppliers, Distributor & trader of Electrical & Electronic Products and Systems. These products are extensively demanded for their attributes like reliability, excellent performance and compatibility.

About Us

Established in the year **2000**, we, "**Krushna Enterprises**", are one of the noteworthy traders and suppliers of a wide range of **Electrical & Electronic Products and Systems**. These products and systems are highly acknowledged in the market for their optimum electrical resistance, reliability and better performance. Owing to their premium quality, these products find utilization in varied electrical, industrial and mechanical applications. Leveraging on our rich vendor base, we have carved an exceptional position in the national market. We have a team of proficient professionals, who are extremely qualified and ensures that only optimum quality product is procured from the vendors place. Their competency and adroitness have helped us to consistently gratify our esteemed clients and timely supply them the quality products. Over the years, we have achieved a trustworthy name in market for delivering only world-class products. '**Mr. Girish Pathak**', our mentor, possesses extensive knowledge and experience in the domain. He is known for his razor-sharp business skills and perseverance, which have helped us to achieve prominence in the industry.

SINGLE PHASE AMMETER & VOLTMETER

Energy Meter

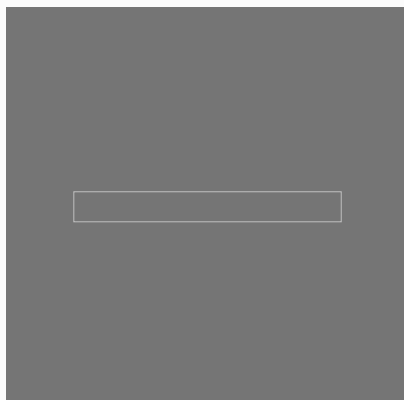

1 Phase Volt Meter

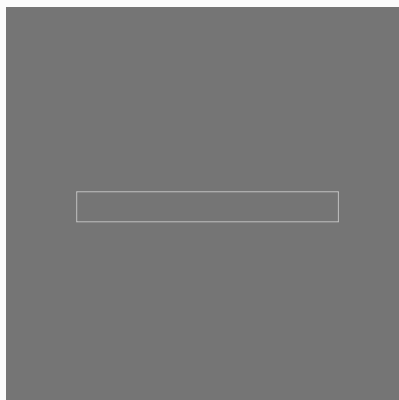

Energy Meter

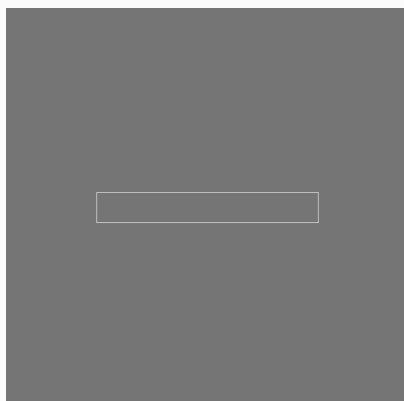

Energy Meter

Digital Function Generator

Ultrasonic Distance Meter

Network Cable Tester

Digital Ultrasonic Thickness Gauge

Core Balance CT (ZCT)

Encapsulated / Tape wound CT

Resin Cast Current Transformer

Split Core Ct

ELECTRICAL & ELECTRONIC PRODUCTS

Forward Reverse Timer

Motor Protection Relay

DC Regulated Digital Power Supply

Extended Memory Option Board

ENERGY METERS

Energy Meter

Single Phase Meters

Microprocessor DC
Multifunction Power Meter

Meter For Windmill

EARTH RESISTANCE TESTERS

Digital Earth Resistance Tester

Digital Earth Leakage Relay Plus

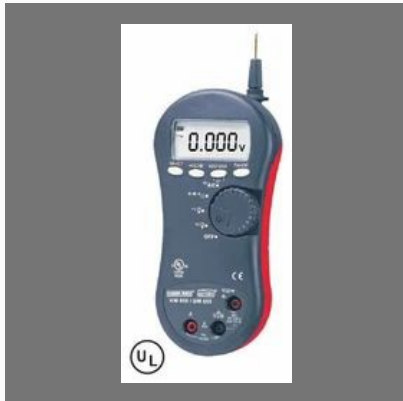

Fixed Earth Leakage Relay

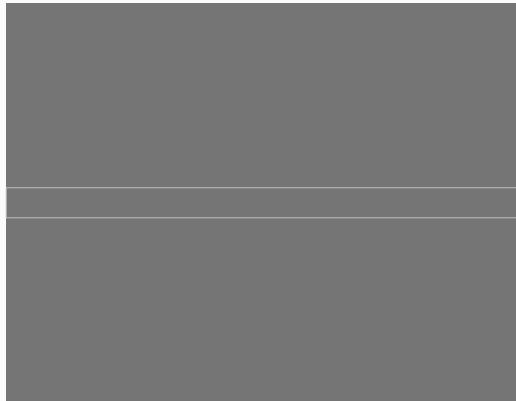

Inbuilt Earth Leakage Relay

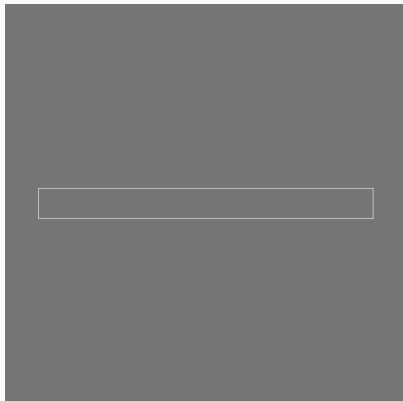

DIGITAL MULTIMETERS

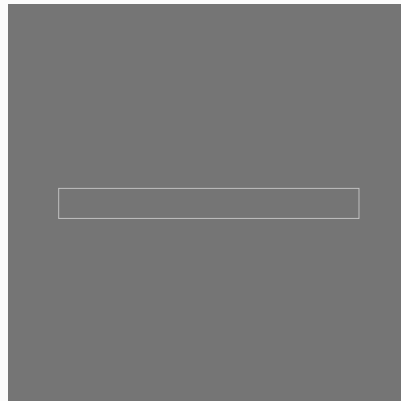

Digital Multimeter With Non-Contact EF-Detected

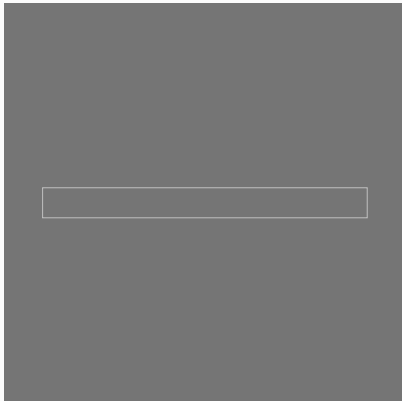

Digital Multimeter with VFD Feature & PC Interface

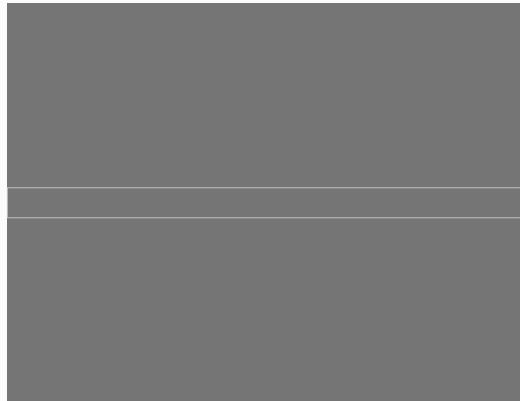

Dual Display Digital Clamp Meter

Digital Automotive Test Meter

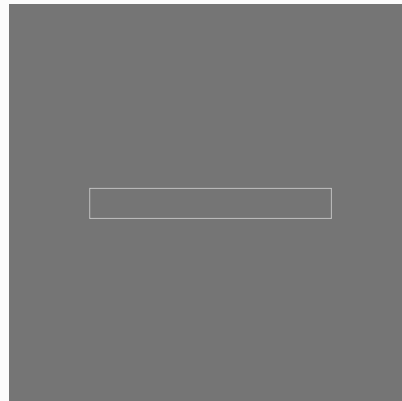

3-Phase Power Clamp on Meter

3-phase Power Clamp Meter With Harmonics Level

Clamp on Meter

Power Factor Regulator

OTHER PRODUCTS:

Power Quality Analyzer

Digital Coating Thickness Gauge

Split Core Ct

Current Transformer ,
Transducers And Shunts

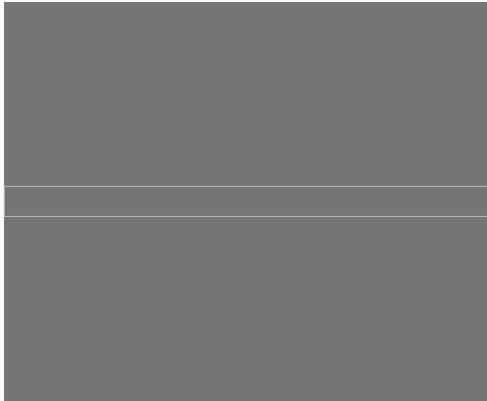

OTHER PRODUCTS:

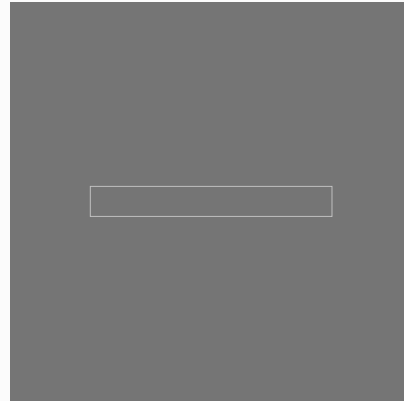

Load Control Receivers & Accessories

Core Balance CT (ZCT)

Digital Multimeter with Terminal Locking System

Power Factor Regulator

Factsheet

Year of Establishment	: 2000
Nature of Business	: Wholesale Supplier
Total Number of Employees	: Upto 10 People
