About Us

Established in the year 2010, we, “**KV Lighting Solutions**”, are popular as an eminent supplier, trader and importer of **LED Ropes, Lights & Wall washers**. These products are highly acclaimed in the industry for their characteristics like robust construction, low power consumption, high performance and durability. Moreover, we believe in offering quality-approved products to our valued customers and for this we procure these products from trusted market vendors. We offer an exclusive range of electrical LED Ropes, Lights & Wall washers that are highly energy efficient and environment friendly. The range we offer is heavily demanded for industrial, commercial, landscape and residential lighting purposes. In addition, this range is offered in customized forms by our associated vendors, which can be availed from us at affordable prices. Our quality experts test this range on various parameters to make sure that this product range matches the expectations of customers. With the able guidance of our mentor, “**Mr. Bhavin Modi**”, we have attained the specified objectives of the organization. He has directed us towards successfully completing the tasks and consignments within the specified time frame.
