## About Us

Based in Delhi, **Lakshmi Metal Industries** is one of the most popular **Manufacturer and Supplier** of a wide variety of chains and allied accessories like hooks, rings, clips, plates etc. Chains manufactured by us find numerous applications in domestic purposes as well as in various industries. From welded and un weld chains used in commercial purposes, we offer the most basic chain that is used to tie your pets, or even as a key chain. These chains are manufactured using premium quality material and are available with us in varied sizes, designs, specifications in order to meet the diverse requirements of the domestic as well as commercial sector. Further, our products are available with us at industry leading prices.

The steel and iron that is used in manufacturing these chains are procured from the most reliable and trustworthy vendors of the industry. In order to build lasting relationships with our clients we practice complete transparency in all our business dealings. This has helped us establish ourselves as the leaders in our field. We offer these products in our own brand **Maya**.
