About Us

Established in the year **1975**, “**Laxmi Vasant Metallurgical Inds Limited**” is known as a prominent manufacturer and supplier of **Casting Products**. Fabricated using superior grade aluminum and copper alloys, these products are comprehensively demanded for their durability, high efficiency and strength. Our range of products is comprehensively demanded in different industries like graphite, diesel engine, cement machinery and shipping component. Our promoter '**Mr. Uchil Vasant Rao**' started this company as a small unit to cater to the customer's demands of sand castings in aluminum and copper alloys. We were manufacturing small castings till the 1990s. In order to meet the growing demands of the customers, the company was converted to a Private Limited company and in **1992**, we became a closely held limited company as “**Laxmi Vasant Metallurgical Industries Ltd**”. We have satisfied our clients with our timely delivery and quality conscious approach. Our organization owns a robust infrastructure to fabricate our products as per the specific client's requirements. A team of skilled and specialized professionals empowers us in meeting hefty orders of the clients. Owing to these advantages, we are able to acquire a wide clientele in Indian market including names like **Greaves Group, Kirloskar Group, Mazgaon Dock, DRDE and CQAE**.
