<https://www.indiamart.com/laxminarayanplywoodindustries/>

Laxmi Narayan Plywood Industries is a leading business names, we are engrossed in **Manufacturing and Supplying** a wide consignment of **Flush Doors, Membrane Doors, Laminated Doors, Veneer Doors, Fire Retardant Doors.**

About Us

Incepted in the year **1992**, **Laxmi Narayan Plywood Industries** is amongst the notable business names engrossed in **Manufacturing and Supplying** a wide assortment of products including **Flush Doors, Membrane Doors, Laminated Doors, Veneer Doors, Fire Retardant Doors, Block Boards**. These offered products are designed and developed making utilization of pristine class basic inputs altogether with advanced tackles, tools and machinery. Applauded immensely owing to their ruggedness, exceptional finish and easy installations, these offered doors are enormously recommended.

We are assisted by an immensely enthusiastic team of personnel comprising manufacturing and warehousing executives, procuring and sales personnel, quality auditors, r and d personnel and administrative staff. Their enthusiasm and passion has aided us to fulfill the increasing requisites of our patrons in the best possible way. To keep them abreast with the advancements taking place in the industry, regular training sessions and seminars are organized at our place. Other than this, we are assisted by a well-established infrastructural facility that is equipped with all the necessary tools and machinery.

Since we have developed our base in this massively competitive marketplace, we are readily engrossed in working under the supervision of **Vijay P. Lalchandani**. His massive industry understanding and a focused yearning to absorb more has supported us in fulfilling...
