<https://www.indiamart.com/laxmipolymer/>

An 9001:2008 certified company, we are the renowned manufacturers and suppliers of Rubber Molded Products. These are extensively used in a varied industry including Steel, Cement, Oil & Gas, Pharmaceutical & Medical and Agriculture Industry.

About Us

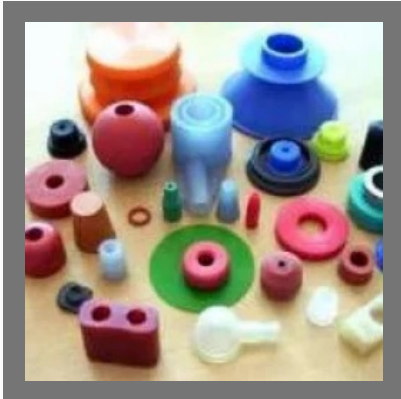

We, **Laxmi Polymer**, are amongst the leading manufacturers and suppliers of a comprehensive range of **Rubber Molded Products**. The quality products manufactured by us include **Hydraulic & Pneumatic Seals, Rubber Moldings, Rubber Diaphragms, Rubber Bellows & Boots, Custom Molded Parts and Rubber Gaskets**. These are manufactured utilizing high quality material such as rubber and polymer. Our quality material and components are procured from trusted and reliable vendors of India to ensure error free range of processed Rubber Products. Our entire range is highly appreciated and approved by our clients for its excellent bonding strength, sturdy design, durable finish and resistance to wear & stress. Further, to meet the requirements of our clients, we also provide customization facility. Our **9001:2008** certified company is constantly supported by a team of qualified professionals who have rich knowledge and in-depth experience in the domain. Our expert engineers and technocrats assist us in offering our clients with impeccable quality products in compliance with set quality standards to achieve maximum client satisfaction. In addition, to make our complete range of Rubber Molded Products flawless, our quality controllers carry out several tests on various parameters like dimensional accuracy, tolerance, elongation properties and strength. Furthermore, our R & D analysts examine different aspects of production for upgrading and...
