<https://www.indiamart.com/laxmisesecurity-system/>

We are the foremost name in the industry for **trading, supplying** and **service providing** of high quality **Security systems**. Offered range is made available in user-friendly technology and fair pricing.

About Us

Since inception in the year **2011**, **Laxmi Security System** is an eminent **trader, supplier** and **service provider** of **CCTV Dome Camera, Bullet Cameras, Video Door Phone, Biometric Access Control System, Electronic Door Locks, CCTV Repair And Installation Services** and **Security Alarm System**. Our group stands for client satisfaction, a high-class range of products and other cost effective products. This can be noticed through long-lasting customer relations and market share it holds in the industry. Timely delivery of products has been a practice with us; we get huge admiration for this. We are all ears to the requirements of respected clients as it helps us to make good client association and better business understanding. We are backed by well-established circulation facility, which aids us in different manner of doing trade in most suitable manner. All our trade units comprises of most up-to-date technology and do not lag behind in any stage of allocation. We have a large storeroom facility, which helps us to keep the products secure and allows allocation of products in mass, making us a renowned name for offering these products as and when required. Our association is doing well in all phases due to supreme guidance of our mentor **Mr. Omveer**, who is taking care of all business transactions in a precised manner. He is well knowledgeable and holds immense industrial knowledge to deal with awkward conditions...
