# Led Lighting World

<https://www.indiamart.com/ledlightingworld/>

We are a foremost manufacturer and supplier of a comprehensive collection of LED Lights & Bulbs. These LED lights are available in varied specifications and are known for low power consumption and longer service life.

## About Us

Established in the year **2008** as a sole proprietorship firm, we “**LED Lighting World**” are engaged in **Manufacturing** a comprehensive collection of **LED Light** such as **LED Solar Lighting, LED Indoor Lighting, LED Out Door Lighting, LED Out Door Signage, LED Bulb and LED Display Sign**. In these range we offer, **LED Module, LED Edge Light, LED Photo Frame, LED Spot Light, LED Panel Light & LED Street Light and many more**. All these are available in varied models and specifications to meet the exact application demands at client's end. We make use of high grade material of construction in the production process so as to assure that the final range is in compliance with the industry standards. All the products are subjected to stringent quality testing on sample basis on well defined parameters before these are being delivered to the client's end.

In order to meet the growing demands of clients, Our main focus is on developing new product indigenously, we have developed a state-of-the-art infrastructure at our premises wherein we have facilities for design, production, quality testing, research, storage and other post production activities. All these units are installed with the requisite machines and equipment essential for carrying out these activities in a timely and effective manner. Apart from these facilities, we also have skilled personnel at our premise who have in-depth knowledge about the...
