About Us

Incepted in the year **2011**, in **Greater Noida (Uttar Pradesh, India)**, we "**LED Techshop**" are the noteworthy **Manufacturer, Trader and Supplier** of wide assortment of **LED Writing Boards, LED Lighting Devices, LED Industrial Lighting Devices, LED Displays and Writing Boards Stand**. These products find their application in various places such as restaurants, shopping malls, coffee shops, bars, nightclubs commercial centers, supermarkets, Subway, showrooms, photographic studios, gift album, exhibition, etc. Our offered products are manufactured under the visionary guidance of trained professionals using high grade components with the help of ultra-modern techniques in compliance with set industry norms. Moreover, these products are checked for their quality on series of quality parameters before being supplied to our clients. Our offered products are made available in different specifications of sizes, colors, shapes and designs as per the information laid down by our clients. These products are widely demanded by our clients for their number of features such as easy installation, excellent brightness, high illumination, low heat emission, less power consumption and durability.

Since our foray into this domain, we strive hard to bring flawlessness in our product range. For this, we have setup a wide spread infrastructure unit that is manned with modular machines and tools. This unit is facilitated with modular machines...
