Years of experience in the valve manufacturing industry in the country has instilled in us, the very basic and operational formula to lead the market of manufacturing and supplying World Class cost-effective Industrial Valves in the country.

About Us

Established in the year **1988** at Ahmedabad, (**Gujarat, India**), we, "**Libra Engineering Work,**" are one of the choicest manufacturers and suppliers of a superior quality range of high performance Industry Valves. In our product collection, we offer **Gate Valve, Globe Valve, Strainer Valve, Swing Check Valve, Two Piece Ball Valve, Ball Valve (Screwed End), Double Window Sight Glass, Forged Steel Valve, Three Piece Ball Valve, Knife Edge Gate Valve, Pressure Reducing Valve, Flush Bottom Valves, Control Valve, Non Return Valve, and Wafer Cheek Valve.** Due to a highly modernized and mechanically competent infrastructure facility, we, a sole proprietorship firm, are capable of supplying our products in the least possible delivery time. In addition to this, we also make sure that before supply, every commodity is properly inspected so that no flaw occurs at clients' end. Our righteous trade practices and quality conscious approach have made us one of the most demanded brands in the national market for Industrial Valves with a turnover of 1 crore (10 million INR) annually. Under the dexterous leadership of our mentor, **Mr. Asgar Ali Siddiqui**, we have achieved a distinctive status in the industry. His devotion and assurance has made it possible for us to cater to some of the famous names in the present day market.
