We are a prestigious manufacturer and supplier of a wide assortment of Aluminum Products. Our offered range is widely demanded in several areas such as house kitchens, restaurants and medical industries.

About Us

Established in the year **1996**, we, '**Lion Metal Works**', are an eminent manufacturer and supplier of **Aluminum Products**. The products, we offer are manufactured using high-grade aluminum, sourced from trustworthy vendors of the market. Our quality controllers test these products on several quality parameters to ensure their flawlessness. The products are highly acclaimed in the market for their features such as attractive designs, durability and fine finish. Our organization strives hard to deliver supreme-grade products to its patrons. The professionals appointed by us make sure to use latest techniques and machines in the manufacturing of these products. Moreover, before delivering the final consignments to the clients, the quality auditors test these products on set industry standards. We have established a state-of-the-art infrastructure facility, which is equipped with all the latest tools and machinery. This enables us to meet the variegated demand of the clients, within stipulated time frame. Moreover, we offer these products at highly reasonable prices to the clients. Under the able guidance of our CEO, '**Mr. Hardik Patel**', we have been able to establish ourselves as a leader in this domain. His sound business policies, charismatic leadership and transparency in business have enabled us to scale great heights of success.
