Lisan India is a Translation & Attestation Company based in the national capital of India. It offers language translation service, document attestation service and multilingual desktop publishing service.

About Us

Lisan India is a leading language service provider having its registered office in India. Lisan offers wide range of language specific solutions to the translation companies, international organizations, tech startups and government agencies. If you are looking for a dynamic translation company which can give an innovative touch to your products and services, we can assure that you are at the right place at the right moment. Join us in our pursuit towards excellence! Lisan India was established in the year 2013. We are a leading translation service provider and document attestation agency. We provide translations in all Indian languages along with many European and African languages. We help globalizing your products and services to suit your interest in the global market. However, if you are focusing on the Indian market, we can again help you in making your brand far more accessible to the common people by translating your content into Indian languages. We offer translation services with the help of our linguist panel comprised of highly qualified professionals. These services are offered for all major languages of the world at cost effective prices. Moreover, our services are designed to meet the specific requirement of our clients. Some of the qualities which makes us more popular among our clients:

- Innovative Translation...
