LN Wrench

<https://www.indiamart.com/ln-wrench/>

We are one of the promising manufacturers, suppliers and traders of extensive range of electrical and electronic products which are made from superior quality raw material.

About Us

"LN Wrench" has gained gradual growth in electrical and electronic with due grace and goodwill. Right from starting, making Quality products has remained our first policy & priority. We provide **Six Sigma Lean Manufacturing, Industrial Automation, ESD Consumable Items, ESD Hand Tools, Accessories, Measuring and Layout, Industrial Tapes, Power Tools etc.** With continuous zeal, backed with complete in house infrastructure, we have maintained strict quality control, right from raw material selection to different manufacturing stages, ending finally with inspection and packing section. With addition of new latest machine, today we manufacture all standard fasteners in widest size range.

Quality has been the prime policy and priority of our organization since its incorporation. The quality control unit thoroughly checks the entire range at every level of production to ensure these are at par with international standards and meet client's demands. Additionally, possessing a team of qualified personnel and efficacious customization has helped us to earn a reputation amongst our clients.

We are well equipped with state-of-art infrastructural facilities which comprises of sophisticated manufacturing unit, quality testing laboratory and an in-house design unit. Right from the manufacturing process, starting from the procurement of raw materials to the testing and packaging, all these processes are carried...
