About Us

Lofiel Photo Works entered the world of photography in the year **2001** and aims at satisfying the demands of the customers efficiently. Since commencement, company is working as a **Sole Proprietorship** firm. We have located our office at **Chennai, Tamil Nadu (India)**. Our motto is to provide quality photography and we believe that the profile picture can be one of the most important elements of public image. We are rendering **Photography Service, General Photography Service, Wedding Service, Planner Service** and many more. Besides these, we are engaged in **trading** and **supplying** a wide assortment of **Metallic Album, Photo Book, Photo Album, Wedding Album** and many more. We have hired a team of photographers, who process still and motion photos for personal or commercial uses. We have employed many types of photographers including wedding, nature and more, who all perform the same job but in different surroundings. As a photographer, it's our job to make people look good and feel good. Owing to the backing of **Mr. Vijay Vimal Raj (Proprietor)**, we are able to gratify our clientele effectively with our photography. With his fair business policies, rich experience about the photography and constant determination, we have been able to garner huge customers across the nation. In the world of photography, we have great experience in providing the best photography and editing to...
