"To achieve and maintain quality in all our products to assure customer's satisfaction. " We are manufacturer of leather shoe uppers, ankle boots etc.

About Us

Established in the year **1991**, at **Kanpur, (Uttar Pradesh, India)**, we, **Lotus Safetywear Limited**, are engaged in **manufacturing, supplying and exporting** all kind of **Military Shoes, Safety Shoes and Protective Footwear**. The entire range offered by us, is tested on defined parameters in order to ensure its accordance with the defined industry standards. Our entire array is known for the features like blemish free, sturdy and immaculate finish. Since our establishment, we have been successfully catering to the demands of our customers, which has enabled us to garner their trust. This has further assisted us in marking our strong presence in this industry sector. Backed by latest technology combined with quality commitment, we are able to match up with the expectations of our customers. We are empowered with a large production capacitor, which has enabled us to achieve a turnover of **40 crores (400 Million INR)**. Also, we offer an export percentage upto 20% to our customers based all across the world. We are guided by our mentor, **Mr. Misbah UI Islam**, who has an in-depth process understanding of this domain. Assisted by a team of professionals, he is working with a vision to meet the requirements of our customers by offering quality **military and safety boots and protective footwear**. His consistent motivation has encouraged our team members to provide a product range, which is a perfect...
