Lucky Textiles is manufacturing socks at the ultra modern plant situated in Vellore, in the state of Tamil Nadu, India.

About Us

Lucky Textiles designs and delivers different types of World class socks and tights for all age groups. Its manufacturing unit has the capacity to cater the needs of both domestic and international clients. This fast growing unit is headed and managed by a team of highly qualified experts in the knitting field. Every Department is run by experts with an experience of more than 10 years in the related field. The customer service is the most important mission of our company. Our excellent service has gained the trust of many big buyers around the world. We will try our best to meet the demand of our customer. We aim to establish long-term business relationship with our customers all over the world and promote the development of each other. We have special teams of intellectuals to research, design and develop new products and take care of customer service. Advanced managing and innovating ideas are infused with staff by periodic training, which contributes to the effective company operations.
