We are one of the established **Manufacturers, Suppliers, Importers and Wholesalers** of a wide range of Comfort Chairs that find usage in offices and institutes.

## About Us

Established in the year **2000**, we, “**Luxor Seating System**”, are engaged as a **Manufacturer, Importer, Supplier and Wholesaler** of premium quality array of **Comfort Chairs and Sofa Sets**. We also offer Carving Sofa Sets and Luxury and Classic Sofa Sets. Appreciated for excellent finish, durability and comfort, these highly functional chairs can also be offered in customized designs. Owing to the quality of our product range, it is extensively demanded to be used in auditoriums, offices, institutions and cafeterias, among others. **We are looking for queries from Pune, Maharashtra.**

We have a team of highly experienced team of furniture designers who aid us in manufacturing chairs that are at par with international standards in terms of sophisticated look and feel. To ensure quality of our products, we make use of finest ply, steel, laminates and leather, among others to manufacture them. Owing to the large production capacity of our manufacturing unit, we are able to deliver chairs in bulk. Before dispatching our range of chair to the market, we test it on different set quality parameters.

Our director '**Mr. Hefaz Sayyed**' is also the mentor of the organization. Under his expert supervision and able mentor-ship, we have been fulfilling the exact requirements of our customers located across the nation.
