Maa Sharda Fabrication

<https://www.indiamart.com/maashardafabricators/>

We are a leading organization engaged in manufacturing & supplying a wide range of Storage Tanks, Air Receivers, Bucket Elevator, Cement Silos, etc. In addition to this, we also offer Conveyor Fabrication Services to the clients.

About Us

Established in the year **2005**, we, “**Maa Sharda Fabricators**”, are a renowned manufacturer and supplier of **Storage Tanks, Air Receivers, Bucket Elevator, etc.** Manufactured using quality tested raw material, these products are free from corrosion, sturdy construction and possess longer functional life. Moreover, available in varied dimensions and sizes, these products are widely used in automotive and engineering related industries. Apart from this, our firm also holds expertise in executing **Fabrication Job Works** for varied types of **Conveyors**. Implemented within the committed time line, our solutions are free from any error and exhibit perfect results. A team of skilled and experienced professionals hired by us is proficient in handling all the advance techniques. Assisted by its dedicated efforts and industry advancements, we are able to come up with high-grade products and fabrication solutions. The total quality management and customer friendly approach followed by us at every stage of the process have enabled in attaining a preferable market position. We have been guided by owners, '**Mr. Subhash Kumar Kushwaha**' and '**Mr. Akash Kushwaha**'. Their expertise in the domain, charismatic leadership qualities and acute business acumen have encouraged our team members to work hard and achieve the set organizational objectives.
