About Us

Magnett Technologies started its business operations in the year **2010** at Bengaluru in Karnataka, India. Established as a Sole Proprietorship business venture, we have emerged as one of the leading solutions and services provider in the area of power back-up, power conditioning and energy efficiency. With a collective experience of over 30 years in technology, we have the best team of trained and experienced professionals to offer the best value for our customers. Since its inception, the organization has built a strong base of delighted customers. We conduct our business with unyielding integrity and dedicated customer care. Our offering always keeps customers' interest on top focus by which we are able to provide the best value proposition to our customers.

Our product range includes APC Home UPS, Shiny Home UPS, Computer Back-Ups, Kent Mineral RO Water Purifier, Kent Pearl Mineral RO Water Purifier, Home UPS, Commercial UPS, Computer UPS, Power Conditioners, KENT Water Purifiers, High Capacity Inverter & Replacement Battery Cartridge. We have partnered with industry leaders like APC and Su-Kam for their entire range of power protection and power back-up products. The products manufactured by these very reputed organizations pass through extensive research, testing and quality checks before they reach the end users. Backed by industry standard warranties from them and our never ending passion to support our customers, our value proposition...
