About Us

Established in the year **2000**, we, “**Mahajan Buildcon**”, are engaged in providing highly reliable **Construction Services**. Our properties are mainly developed in different parts of **Nashik**. Additionally, we also render services for **Vastu Consultancy**. Our services are widely acclaimed for their credibility, timeliness, flexibility and effectiveness. The contracts and projects undertaken by us are completed within the stipulated time frame in most efficient manner. For this, we make use of high-grade construction material and other components that are sourced from reliable vendors of the industry. After the construction stage is over, we also provide our industrial and commercial properties on sale, purchase, rent and lease. Further, our vastu consultants offer reliable ideas and tips to the clients that are best suited for their queries. Leveraging on the dedicated efforts of the professionals, we have successfully catered to the needs of our clients since years. The experts are committed towards maintaining the set industrial standards throughout our trade related activities. Further, we also consider the budget constraints and other specific needs of the customers, while providing these services. We always maintain transparency in our business operations so as to achieve utmost satisfaction of the customers. Further, our sound strategies and customized solutions are some of the factors that have enabled...
