<https://www.indiamart.com/mahajanbeltings/>

We are the Manufacturer and Trader in the spectrum of Conveyor Belts, Food Grade Conveyor Belts and much more. Ours is a renowned and established organization dealing in the best qualitative products.

About Us

We, **Mahajan Beltings Industrial Corporation**, India, started in the years **1982**, are one of the foremost **Manufacturers** and **Traders** an extensive array of Industrial Conveyor Belts. Our offered range consists of best grade Conveyor Belts, Food Grade Conveyor Belts, and Transmission Belts. To manufacturing these products, our professionals use top quality components and modern machines. Our products are appreciated for their sturdy design, excellent accuracy, reliable performance, sturdy construction, durability and low maintenance. These offered products are used in paper industry, textile industry, irrigation apparatus and many more fields.

Our robust infrastructure is spread over a wide area of land. This facility is outfitted with latest technology based machines, which are used for all our operational processes. Our quality controller team checks the product line on various quality tested parameters. Also, our employees work towards making clients` specific products. In addition to this, the atmosphere at our organization is properly coordinated, which aids in designing and developing flawless range of products.

Our mentor, **Mr. Mahajan**, has guided us to be able to famous in this domain. Our zeal and deep knowledge have enabled us to carve a niche in this industry.
