## About Us

“**Mahalaxmi Textiles**”, was established in the year **1987**, at **Panchkula, (Haryana, India)** as a sole proprietorship firm in the field of **manufacturing, exporting and supplying of Textile Felts, Tannery Felts, Fiber Cement Felts, Paper Board Felts, Wrapper Cloths, Endless Clearer Cloths** and many more. Our company uses best high quality yarns to manufacture our products. These products are tailored using the industry accepted processes and procedures. We offer a wide spectrum of felt fabrics that are manufactured using premium quality yarns. Extremely durable and soft to touch, these fabrics yarns are ideal for manufacturing quality products. Besides, we follow the guidelines of a total quality management system, to ascertain the flow of quality approved range in the market. Thus, we are getting repeated orders from the clients and have acquired their large support.

To manufacture products in bulk and to meet the diverse needs of clients efficiently, we have developed a state-of-the-art infrastructure at our premises. It encompasses varied departments such as designing & production, administrative, warehousing & packaging, sales & marketing, quality control, research & development, logistics and many more. All these departments function in synchronization with one another, which ultimately assists us in meeting the set targets of production. Furthermore, we have installed advanced production machinery, which...
