

Malar Agro Poultry Farms

<https://www.indiamart.com/malaragropoultryfarms/>

We are engaged in processing and supplying a wide range of Whole Chicken, and Chicken Birds. These chickens are reared carefully in hygienic, clean and clear environment, so that they may remain healthy.

About Us

We "**Malar Agro Poultry Farms**" came into being in the year **2012** and carved a niche in industry as the known processors and suppliers of **Whole Chicken, Live Birds & Chicken Birds**. These chickens are carefully reared in clean environment, in order to protect them from diseases. These birds are tested on various parameters in order to ensure good quality and health in them. Periodic checkups are conducted and proper vaccination is done, in order to ensure that the chickens and hens remain hale and hearty. We ensure that rearing is done in an efficient manner, so that customers can enjoy better taste. We ensure that best quality range reaches the market that too in timely manner and at reasonable prices. We are looking for queries from **Andhra Pradesh & Karnataka**.

Well-equipped and state-of-the-art infrastructure is owned by us, where these birds are carefully reared and processed. Segregated into varied departments, it enables us to carry varied business operations in smooth and efficient manner. These departments are headed by experienced and trained staff having years of knowledge and ensure that synchronization is maintained in the tasks performed by them.

We have been able to carry our tasks in an efficient manner because of the support of our skilled and trained staff. Our team comprises veterinary doctors, special staff who takes care of rearing of the chickens and hens and other supporting...
