## About Us

MALU PAPER MILLS LTD is promoted by the "THE MALU FAMILY" and all the Directors are from the family and are First Generation Entrepreneurs .The group has interests in Coal & Lignite Trading , Manufacturing & Trading of MS Electrodes (an ISO 9001:2000 Company), Manganese Processing & Exports, MS Ingots and Castings other than Paper. After having very well established in the business of Coal, Lignite, Dyes and Chemicals etc since last three decades, we diversified into Manufacturing field. Nagpur, a fast developing big Industrial Centre with Full infrastructure facilities and having very good connection by Rail, Road and Air with all major business Center like Mumbai, Delhi, Kolkata and Chennai, was hence selected as plant location.Considering the vast potential market, we have set up two paper manufacturing units at this site. The units are having a capacity of 8250 TPA of Kraft Paper and 19800 TPA of Newsprint. The first Paper Mill commenced production in the year 1996 having capacity of 18 TPD. Later with little change and up gradation the plant is running with an installed capacity of 25 TPD.Having achieved experience of running a paper mill, and looking at demand and supply position and also looking at the growth and future prospects of Newsprint industry, we decided to add another plant for the manufacturing of Newsprint having capacity of 60 TPD in the same compound; thereby utilizing same infrastructure facilities apart from achieving substantial saving in...
