Mangaldeep Block Industries

<https://www.indiamart.com/mangaldeep-block-industries/>

We are an eminent manufacturer, supplier and wholesaler of Building Material. Our products are known for their dimensional accuracy, perfect finish and resistant to stains & chemicals.

About Us

"**Mangaldeep Block Industries**", are engaged in manufacturing, supplying and wholesaling **Ventilation Jali, Blocks, Pole, Tiles and Pavers** Manufactured using superior-quality raw material, these products are extensively used in construction industry. Our clients can avail our products in varied sizes, shapes, designs and packaging. We are supported by a sound and sophisticated infrastructure unit that assists us in meeting the variegated demands of our customers. The unit is installed with the technologically advanced tools and machines, which facilitate a high rate of production. Further, to manage all our business activities in an orderly manner, we have appointed a team of proficient professionals. They manufacture the products according to the set industry standards and norms. Owing to our TQM and timely delivery of consignments, we have been able to muster a huge client-base across the country. **Bhavik Complex – Ghod dod Road, Nistha Ashish Apartment – Bhatar and Takshshila Apartment – Bhatar** are some of the eminent clients to whom we offer our products. Our mentor, '**Mr. Bhavanbhai Patel**', having forty years of experience is capable to handle his family business in an efficient manner. His charismatic leadership quality, managerial skills and sharp business acumen have enabled us to stay ahead of our counterparts.
