

Mantasha Saddle Creations

<https://www.indiamart.com/mantashaleather-creations/>

Manufacturers of leather cords, bolo leather cords, suaid leather cords, hand weaving leather cords & other leather goods.

About Us

Mantasha Leather Creations was established in the year 2001. We are leading Manufacturer of **Buffalo Skin Leather, Raw Leather Skin, Sheep Leather Skins, Leather Boots, Leather Board, Leather Lacing, Leather Strings, Ladies Leather Bags, Side Leather Bags**, etc. The products are developed as per customer specifications with the motto to attain their utmost satisfaction. The material which is used in manufacturing is procured from reliable vendors only. Our items are well known in the market for their light weight and longer service life. The purses are acclaimed for their exclusive design, attractive pattern, mesmerizing color combination and easy to carry. We are empowered by the creative and experienced team of professionals. The team encompasses designers, artisans, marketing personnel and quality experts. They work in coordination with each other for the development of the huge range as per client requirements. The unit where our range is developed is well fitted with cutting edge machines and tools.
