## About Us

**Started in the year 2012**, Maple Import Exports LLP has carved a niche in manufacturing, supplying, exporting and trading of Stainless Steel Kitchenware and Plastic Insulated Products . The wide range of products offered, includes Stainless Steel Glasses , Plates , Bowls , Spoons , Bowls , Trays etc . , Plastic Insulated Casserole Sets , Dinner Sets , Water Cooler and various Promotional Corporate Products, among many others. While adhering to strict industry guidelines, we utilise cutting-edge tools and latest machinery to manufacture our products, for quality, contemporary and classic product designs, that have good functional ease, are user-friendly and durable. As renowned traders, we are proud members of FIEO. We have been resolute in our commitment towards quality , timely delivery and client satisfaction, allowing us to establish a strong clientele base , that spreads across East Asia, Middle East, South America, North Africa and South/West Africa.Each of our products are thoroughly checked by our quality control team , over a series of parameters and checklists . We are constantly upgrading our machinery and processes to sustain top global standards. Over the years our company has established a very strong sourcing and vendor base , logistic and distribution channels , that allows us to carry forward on-time delivery of consignments.Under the mentorship of Mr Rajesh Rajput , Owing to his ethical business policies towards both buyers and vendors and client-savvy...
