About Us

We **Marks Polymers** from **1995** are a popular organization in the industry affianced in **manufacturing and supplying** a wide variety of Acrylic Sheet. Our offered product array consists of Plastic Acrylic Sheet, Acrylic Sheet and Cast Acrylic Sheet. Provided products are designed by using supreme grade components at our end. We are offering these products in various sizes and designs to choose from. These products are highly appreciated by the customers for their perfect quality, attractive pattern, light weight, various color combination and longer service life. Additionally, these products are offered to the clients at very affordable rates. We have established a well-equipped infrastructure facility. Our infrastructure facility is equipped with all the required machines and tools for the manufacturing of the offered products. For interrupt free process of our business, we have divided our facility into various parts. To manage these differentiated parts, we have chosen a team of trained professionals. All these team members are well-versed with the pros and cons of their respective domain, which benefit us in undertaking even the tough tasks with ease. Apart from this, to make our products as per the ongoing market trend we regularly upgrade our facility. Under the firm direction of our mentor **Mr. Rajesh M Doshi**, we are operating our business function in a progressive and productive manner. His vast experience and knowledge of this...
