Mars Engitech Pvt. Ltd.

<https://www.indiamart.com/marsengitech/>

Mars Engitech Pvt. Ltd. is a private limited company incorporated under the Companies Act, 1956 in January 2011.

About Us

We are one of the fast growing manufacturers and suppliers of Industrial products. The product solutions are being manufactured from the categorised and processed raw material procured from the certified vendors. Modern machinery fitted development wing is responsible for the world-class solutions design. The equipment are being manufactured in adherence to the international standards. The testing procedures of the components are stringent in nature. These are subjected to the hard and punishing environment comparable to the maximum capacity. **The range of the equipment is designed to expand the services area which constitutes:**

- Rotary Joints For Water, Steam, Hot Oil, Air Hydraulic And Coolant
- Carbon Graphite Seal Rings And Guide Rings
- S.S. / Teflon (PTFE) Flexible Hoses
- Stainless Steel Expansion Bellow
- Forged Flanges And Fittings
- Forgings For Oil & Gas Industries
- Industrial Rolls / Heating & Cooling Fans
- On Ferrous Forgings
- CNC Machining
- Chemical Process Pumps

Features that these components avail are:

- Cost-effective
- Robust construction,
- Reliability
- Correct dimensional accuracy
- Low maintenance

In addition to this, the company manufactures & supply forged, machined, semi finished & finished engineering components to...

ROTARY JOINTS

Flowline Monoflow Rotary Joints for Chilled Water/ Hot Water

Flowline Duoflow Rotary Joints for Chilled Water/Hot Water

Flowline Rotary Joints for Steam and Hot Oil

Flowline Rotary Joints for Air & Hydraulics

FORGINGS & FITTINGS

Forgings For Oil & Gas Industries

Swivel Joints

Forged Flanges & Fittings

Non Ferrous Forgings

ENGINEERED COMPONENTS

Heating & Cooling Cans

CNC Machining Components

Chemical Process Pumps

OTHER PRODUCTS:

Flow Line Rotary Joints for Steam

Teflon Flexible Hoses

S.S. Flexible Hoses

Carbon Graphite Seal Rings

OTHER PRODUCTS:

Guide Rings

Stainless Steel Expansion
Bellows

PTFE Expansion Bellows

Factsheet

Year of Establishment	: 2011
Nature of Business	: Exporter and Manufacturer
