<https://www.indiamart.com/marudhargranites/>

We are one of the noteworthy **Trader** and **Supplier** of our perfectly sourced **Indian Granite** and **Imported Granite**. These granites are well known among the industry for the superior quality and optimum durability.

## About Us

We Marudhar Granites, are proud to offer a complete range of Indian & Imported Granites to our customers. We are one of the leading suppliers of Indian natural granite stones. We provide our customers with a full range of high quality granite products to their exact requirements and needs. With our commitment to quality and all round infrastructure our customers are able to receive better value and products. Our system controlled production process ensures the quality and desired perfection in the products. We acquire best raw material from the local sources (Granite quarries in Deccan) to achieve high standards as set by us. We have a proven track record of exporting quality products to a huge client base within the country and the globe. With our high quality range, we have successfully carved a niche for ourselves in the industry. Our range finds extensive application in construction and allied industries, owing to its excellent finishing, elegant looks, high strength and exquisite design. With the support of our team, we are engaged in product innovation, improvising and development. We have established a sprawling infrastructure, which is equipped with latest technology. Capitalizing on the quality of our comprehensive range, we have developed a huge clientele in the domestic market.
