<https://www.indiamart.com/maruti-brass-industries/>

We are the leading Manufacturer & Exporter of Brass Engineering Turned Components & Electrical Assemblies. we able to manufacture any Brass Parts items as per our customer requirement.

## About Us

Incorporated in **2005**, we, **Maruti brass industries** have established a foothold as leading manufacturers, suppliers, wholesalers and traders of a comprehensive variety of brass components and accessories. In our offered range we have products **Brass Electrical Fittings Components, Brass PPR Fittings, Brass Earthing Accessories, Brass Battery Terminals, Brass Cable.Glands, Panel Board Accessories & Seiver Crimp Type**. We started as a sole proprietorship firm, lead by our visionary mentor, **Mr. Dinesh M Santoki**. Made from the best quality raw material such as brass and other components, we avail this range to the customers in the most comprehensive and industry leading prices.

We possess a highly equipped, world-class infrastructural setup comprising of a manufacturing unit and a warehouse that have been built at advantageous locations so as to ensure speedy delivery of products to our customers. We are highly progressive in terms of keeping our facilities up to date so as to keep abreast of the contemporary trends in the market. Our manufacturing unit has been installed with state of the art technological equipments and machinery that enable a standardized production process. All our units are equipped with sophisticated machines for measuring, testing and various other procedures. Our expert teams keep a stringent check on the testing of the products.

We are backed by a team of zealous, proficient and dynamic...
