<https://www.indiamart.com/masmedmedicaldevices/>

**We are one of the renowned manufacturers and suppliers of a wide range of Medical Products mainly used in Hospitals. The offered products are known for features like easy to clean, maintained hygiene level and dimensionally accurate.**

## About Us

Based at New Delhi, India, we, “**Masmed Medical Devices,**” are an eminent manufacturer and supplier of a wide range of **Medical Products** to be used in **Hospitals**. As an International Healthcare Products Marketing Company, we focus extensively on providing superior quality products worldwide. We adhere to all defined industry norms to offer a **hygienic, accurate, durable in nature and efficient** product range. With a well developed manufacturing unit, we have made a mark in the industry by offering quality products. Our superior products are backed by efficient customer services, which helps us in attaining maximum client satisfaction. Our professionals work in a dedicated manner to not only meet, but also exceed the clients' desired requirements. By offering them our products at market leading prices and also delivering consignments in a stipulated time frame, we have gained a spread out clientele. Under the visionary supervision of our mentor, **Mr. Anthony T M**, we are in continuous process of growth and development. His rich industry experience and ethical business practices, we have catered to the markets of **Europe, Russia, Iraq and Africa**.
