Mass International

<https://www.indiamart.com/mass-international/>

We are engaged in Manufacturing, Exporting and Supplying of Chemical Reaction Engineering Lab, Heat Transfer Lab, Hydraulic Bench And Accessories, etc. These are known for their features like durability, long service life, hassle free performance.

About Us

Incepted in the year **1999**, in **Ambala (Haryana, India)**, we “**Mass International**” are engaged in **manufacturing, exporting and supplying of Chemical Reaction Engineering Lab, Heat Transfer Lab, Hydraulic Bench And Accessories, Hydraulic Machines Lab, IC Engines Lab, Mass Transfer Lab**, etc. In synchronization with the set industry standards, these products are manufactured using best quality raw material and latest technology. Owing to their remarkable features like easy to operate, user friendly, sturdy design, long service life, hassle free performance and excellent quality, these products are highly demanded in the market. In order to match with the exact needs of our valuable clients, these products are available in different specifications. In order to provide best quality to clients, these products are thoroughly checked on various quality parameters by our quality experts.

With the support of our advanced infrastructural unit, we are providing a high quality range of products. It is divided into different departments like procurement, manufacturing, quality controlling, R & D, warehousing & packaging. Furnished with the latest tools and machinery, this infrastructural unit helps to meet all the needs of our valuable clients in the most successful manner. For the systematic and easy process, the entire work is supervised by our professionals who have rich knowledge and experience in the domain....
