

Mathure Metal Works Pvt. Ltd.

<https://www.indiamart.com/mathuremetal/>

We are among the leading organizations, engaged in manufacturing, trading and importing a wide range of Soldering and Brazing Alloys. In addition to this, we are offering a superlative range of Soldering and Brazing Fluxes to our esteemed clients.

About Us

Established in the year 1972, we, **Mathure Metal Works Pvt. Ltd.**, are a renowned organization engaged in the manufacturing, trading and importing a wide range of **Soldering & Brazing Alloys**. In this range, we offer **Silver Copper Phosphorus, Copper Phosphorus Alloys, Copper Zinc Base Metals, Soft Solder Alloys, Special Silver Brazing Alloys** and **Non Silver Tool Brazing Alloys**. Widely used in telecommunication, refrigerating and electronic industries, these alloys possess remarkable physical and chemical properties. In addition to this, we are offering a superlative range of **Soldering & Brazing Fluxes** to our esteemed customers. Under this range, we are offering **Silver Brazing Fluxes, Fluxes for Special Applications, Fluxes For Copper & Bronze Brazing** and **High Temperature Fluxes**. The offered range of fluxes also works as a cleaning agent as it removes oxidation from the same metals. Our products match ROHS & NON CFC Compliances. Our offered range of products is highly appreciated among the clients for its customized metallurgical design, along with **CONSULTANCY in Brazing**, which is our core competence. In order to fabricate our offered range of products, we have developed a sophisticated infrastructure with imported machineries. We make our own master alloys & basic chemicals, to keep up with required quality. We have units with manufacturing, quality testing, packaging, warehousing and administrative. All...
