We are a known trader and exporter of a variety of Fresh Fruits and Vegetables. The product range offered by us is appreciated in the global market for being fresh, rich in nutrients and fiber content.

About Us

Established in the **year 2011**, we, “**Matoshree Export, Mumbai**”, are a trader and exporter of **Fresh Fruits and Farm Fresh Vegetables & Other Agro Products**. In a very short span of time, we have managed to become one of the fastest growing business units owing to the premium quality of fruits and vegetables offered by us. Our product range is reckoned for quality attributes such as freshness, rich nutrient and fiber content. In order to ensure qualitative products to our customers, we procure these from reliable cultivators of the industry who grow these following organic methods. Grown with minimal usage of pesticides & insecticides, fruits and vegetables offered by us do not cause any health hazard. Further, we have a diligent team of professionals who make sure that the product range is stored fresh with no loss of nutrients, flavor and color. We have an advanced packaging unit equipped with fully automated systems for packing to keep our products untouched by hands. Further, with the aid of an organized distribution network, we are able to timely deliver our product range to markets across the **Indian Subcontinent, Middle East, Europe, Africa and America** among others.
