## About Us

We, **Mayur Distributors**, have emerged as one of the most customer viable newborn firm in the industry. Situated in Bangalore, Karnataka, we established our business in the year **2008** and have grabbed a considerable fraction of the available customer base with our entire assortment. We have excelled as the leading **supplier, distributor, wholesaler and trader** of **Cow And Stable Mats, Turf Mats, Rubber Mats, Plastic Dustbins** and many more to name a few. All products that we offer to the market are renowned for durability and longevity.

The formulation process starts with assorting the best quality materials and testing them for usability. Strict and thorough quality checks make sure that only the most premium assortment reaches production. Then comes the manufacturing process that involves formulation and other necessary processes. We spend considerable effort in securely packaging the finished products to avoid unnecessary wear and tear during storage or during delivery. We implement a modern infrastructure and a skilled workforce to implement and enhance the standard of our output. We ensure timely delivery of supplies.

Under the able guidance and astute leadership of our company's sole proprietor, **Mr. Manje Gowda M. S.**, we are successful in strengthening our position in this competitive industry. His deep understanding about business, vast experience and outstanding managerial qualities has...
