# M. B. Exports

<https://www.indiamart.com/mb-exports/>

We are the leading manufacturers and exporters of Home Decorative Handicraft Items. These products are offered by us in different designs, patterns and colours. Our entire range of products is designed with a unique combination of elegance.

## About Us

Established in the year **2006** at Jaipur, India we “**M. B. Exports**” are one of the reliable manufacturers of beautiful Handicraft Items. Our range of products includes Wooden Artwares, Metal Artware, Aluminum Artwares and many more. We offer a unique combination of elegant products, reflecting India's legacy. Our products are highly in demand for their unmatched quality and unbeatable price. The products offered by us are widely known for their quality and reliability. Moreover, our products have a good finish and they are manufactured according to the latest trends and fashion. Customer satisfaction is our main concern so we put in our best efforts in order to cater to their requirements. Our offered products are manufactured from high grade quality material and are duly tested by our experts on various quality parameter before final dispatch. We are exporting our products to **Europe**. Our products are highly in demand because of their superior quality and reliability. The products have smooth edges, good finish, fashionable appeal and many more features. Headed by **Mr. Bharat**, our company is highly acknowledged for manufacturing these quality handicraft items. His objective to impart maximum satisfaction to our customers has helped our company to secure a reputed position in the market.
