Mehar Agri Works

<https://www.indiamart.com/mehar-engineering-work/>

We are counted as an eminent **manufacturer** and **supplier** of **Tractor Trailers, Agricultural Implements, , Truck Containers** and many more.

About Us

Established in the year 1974, at Barnala, (Punjab, India), we “**Mehar Engineering Works**” started as a sole proprietorship firm in offering a wide range of **Hydro Iron Cutting Machine, Tipper, Rotavator and Straw Reaper** and many more advanced equipment. Our products are known for their superior performance, easy installation and hassle free operations in the market. We have a state of the art infrastructure and employ cutting edge technology; it assists us in manufacturing our range at par with the international standards. All our units and business operations are managed by experienced and skilled staff members in order to cope in an efficient manner. Furthermore, we provide customized solutions as per the unique requirements of our esteemed customers. Under the aegis of our administrative professionals, we have charted our way to the top notch organizations in supplying a quality range of **Equipments**. Owing to their diligence and extensive industry knowledge, we are catering to the numerous requirements of the industry with our high performing products. Our ethical business principles have helped us to carve a niche for us in this industry and we have won the trust of our customers in this competitive industry.
