#### About Us

Incepted in 1987 as a small guitar manufacturer, "melvins" grownup to one of the pioneers in India for manufacturing & exporting Indian Musical Instruments like – Harmonium (Indian Keyboard), Scale changers, Guitars, Tabla, Dholak, Sitar, Acoustic shruti boxes, Dilruba, Sarod, Sitar, Tanpura, Angle bells / Ghungroo pads, Folk instruments and miniature musical instruments etc.., All of our instruments are designed and manufactured with an eye on perfection and with the intention of setting a new standard in quality and performance. All good quality harmoniums & shruti boxes we manufacture have PALITANA reeds, made in the state of Gujarat, India, which are resistant to rust and most popular amongst professional musicians. Taking care of the changing requirements of the Guitarists, we provide an ample range of superior quality Acoustic Guitars. All Acoustic Guitars come with a soft-touch finger board. Usage of the finest quality raw materials in the production of Acoustic Guitar assures its high durability and reliability. Careful wooden work, fine melamine finishing and the best acoustic sound quality are some of the unique characteristics of our Guitar that make it highly valued in the market. We can develop any models as per the requirement of our customers. All our musical instruments and accessories are tested and...
