

# Met-Chem Laboratories

<https://www.indiamart.com/met-chem-laboratories/>

We are providing various types of Testing, Analysis & Inspection Services to major industrial applications. Our services are environment friendly, reliable, client-centric in nature & are executed within the stipulated time frame.

## About Us

Established in the year **1977**, we, “**Met Chem Laboratories**” have carved a niche for ourselves in the industry. Furthermore, we are engaged in providing unmatched **Testing, Analysis and Inspection Services** to different industrial applications. These services are assured to be at par with the international quality standards, owing to which these are highly demanded by our clients. In addition this, our services are known for their promptness, reliability, high efficiency and customer-oriented approach. Our clients can also avail these services at leading market prices as per their requirements.

Our dexterous team of professionals is well-trained to use modern sophisticated technology and machines for rendering various types of inspection and testing services. Besides, we possess premium quality certificate for offering highly effective services to our esteemed customers. Owing to our ethical business practices, customized solutions, prompt execution, we have garnered a huge clientele across the domestic market.

We have excelled as a service providing company under the powerful leadership of our mentor, ‘**Mr. Girish C. Sahasrabuddhe**’. His profound knowledge and extended industry presence have ensured that we offer our clients uninterrupted and superb quality services.
