Metro Impex

<https://www.indiamart.com/metro-impex/>

We are a leading **manufacturer cum exporter of a wide range of Stainless Steel Utensils / Cutleries and Cotton Towels** made from premium grade raw materials.

About Us

We are in the business of manufacturing and exporting **Stainless Steel Utensils, Cutleries & Cotton Towels since 1991**. Leveraging our manufacturing strength we offer a wide range of premium stainless steel products that include **serving bowls /dishes , serving trays , stockpots , mugs , water jugs , ice buckets , tumblers , basins , mixing bowls , soup plates , reg / deep collainders , tiffins , tea/sugar pots , deep footed bowls , ladles , spoon/forks , steel / plastic casseroles with steel inner , cotton towels – bath , solid , kitchen and beach towels and ladies/ gents garments.**

Metro Impex is marching ahead on the way of success under the able guidance of **Mr. Mahesh Mirani**. He is a person with wide range of experience and is a well known name in the industry. Our firm is a **government recognized export house** of stainless steel products and is based in **Mumbai, Maharashtra, India**.

Products offered by us are manufactured using premium quality steel procured from registered vendors in the market. Each and every product being offered by us passes through **stringent quality tests** conducted by our quality experts. These tests are conducted at each stage of product development starting from the time of raw material procurement.

Our legacy lies in offering **cost effective, functional, durable, reliable and long lasting products** designed with innovations. We have a large...
