# Metro Wire Product - India

<https://www.indiamart.com/metro-wire-product/>

We are an eminent organization engaged in manufacturing, supplying and wholesaling an exclusive range of Stainless Steel Kitchen Products. These baskets are known for their longer service life and excellent finish.

## About Us

Established in the year **2008**, we, “**Metro Wire Product**”, have etched a remarkable name for ourselves in this domain of manufacturing, supplying and wholesaling **Stainless Steel Kitchen Products**. We provide products that are decorated with style and give a modern look to the kitchen, further, it also helps in saving the space. Developed using exceptional grade steel, these products are favored in the industry for their easy to wash & rust proof nature, sturdy construction and longer service life. With the usage of latest methodologies, we have been able to offer these products in variegated designs and sizes. These trendy modular kitchen products are developed at our in-house surface treatment plant, which is equipped with the modern production techniques. Apart from this, our auditors keep a strict vigil on the entire production process to assure that these are in accordance with the international standards. After completion of the production process, we safely store these kitchen at our well-equipped warehousing unit. Owing to our efficient management, large production capacity and reliable distribution network, we have garnered a huge client base for ourselves in this domain. Under the visionary guidance of our manager, '**Mr. Kaushik Kaneria**', we have been able to progress consistently in the field of manufacturing. His insight and exemplary leadership skills have helped us in surpassing many pitfalls and emerging...
