M G Machine And Tools

<https://www.indiamart.com/mg-machine-tools/>

We are one of the leading suppliers and traders of Wooden, Metal and Stone Working Machinery. Our organization is noted for supplying quality products featuring high performance, low maintenance and corrosion resistance.

About Us

Established in the year **2002**, we, '**M. G. Machine & Tools**', have made our mark in the filed of trading and supplying Industrial Machines Hand Tools. Since the inception of our organization we have followed a simple rule; delivering quality products to the customers. To maintain this reputation of ours, we procure our products from trusted vendors of the market. These vendors manufacture the products with high grade raw material to make sure that the products adhere to the quality standards. Furthermore, our products are widely appreciated by the customers for the features like corrosion resistance, high performance, rigid construction and longer service life. We have a well equipped warehouse which has all the requisite spacing to keep the products properly. Also, we can ably handle any unexpected circumstance with the safety measures incorporated in the organization. Furthermore, with the help of our energetic and enthusiastic team of distributors, we are capable of meeting the demands of the customers on time. We are supported and guided by our mentor, '**Mr. Bajrang Suthar**', who has been a true inspiration for all of us. His dedication and hard work have led us reach pinnacle in our area of work.
