About Us

"M.H. Traders" is one of the leading dealers and traders of best quality fabrication sheets and galvanized pipes. Our offered range of sheets includes Colour Coated Profile Sheet and Galvanised Corrugated Sheet. All these sheets are made using high grade cement and other material at our vendors' ends. Looking at the vast need for housing and related infrastructure like hospitals, universities, shopping malls and various others, we have ensured a confirmed supply of Asbestos Cement Sheet and FRP, PVC Sheet. Our offered product range is known for its durability, accurate shape & size, perfect coating and high material strength. Being a trusted name in this domain, our clients can avail from us a wide array of M.S. Pipe, GI Pipe & also Fabrication works.

Our organization is empowered with a team of experienced professionals with the aid of which, we have been able to achieve the set organizational goals. We have categorized our teams into procurement, warehouse, quality, carriage & freight and packing. All these teams work in close coordination among each other so as to make sure that all the orders are delivered within the said time frame. Besides, quality managers working at our end make sure to check all the products procured from customers. This is done to make sure that our customers receive the best quality product range
