

Midas CNC Industry

<https://www.indiamart.com/midas-cnc-industry/>

We are offering quality CNC profile cutting and CNC plasma cutting work to our clients. Additionally, we also sell a wide range of CNC consumables.

About Us

Established in the year 1999, "Midas Cnc Industry" is regarded as a prominent Service provider of a quality-assured range of CNC Profile Cutting and Plasma Cutting. We have gathered profound experience in the industry, which puts us amongst the few credible names in the market. Our professionals work tirelessly so that the Service bear the hallmark of quality. By utilizing the advanced technology machines installed at our infrastructure, we are able to bring forward an optimum range that caters well to the market's needs.

We are one of the renowned service providers offering quality CNC bending services, sheet metal bending services, sheet metal laser cutting job work to our clients. In addition, we also sell a wide range of precision CNC Consumables. From a humble beginning, we have now grown leaps and bounds as one of the most trusted organizations in the industry.

Empowered by the state-of-the-art infrastructure, Research & Development department, we are able to provide customized solutions to our clients in accordance to their specifications. Our in house ability enables us in maintaining our laser job works and constantly keeps an eye on the quality execution of our range. Our ability in performing quality laser cutting jobs allows us to set-up faster jobs faster and enables us in solving problems within a given time frame.

Our organization is mentored by 'Mr. P. Purusothaman', who has motivated us to stay ahead of the competition....
