<https://www.indiamart.com/minolorganics/>

Manufacturer and exporters of a wide variety of Organic Chemicals, dyesintermediates,pigments. Our range is vastly used in chemical industries and known for purity, high effectiveness, accurate pH value and accurate composition.

About Us

Established in the year 1987, we, Minol Acids & Chemicals Private Limited, are one of the eminent formulators, suppliers, and exporters of a wide variety of industrial chemicals and acids. We are a GDMA and AIA certified company and thus our range is known for its quality and reliable performance. We possess state-of-the-art manufacturing unit backed by advanced technology and machinery that helps us to come up with a range of products that complies with the international market standards. Our range is highly proclaimed by our clients across the globe and our reputation have managed us to position ourselves as one of the leaders in offering Violet Acid and Chicago Acid. We work hard towards achieving amicable and everlasting business relationship with our clients and this has geared us to meet the clients' expectation. Due to our persistent efforts and motivation to succeed, we have made a huge mark in the markets of Europe, America, Brazil, and South East Asia. Our mentor, Mr. P. K. Shah (Chairman and MD) is a man of excellence and is blessed with profound knowledge of the industry. Under his leadership, we have been scaling new heights in the business.
