<https://www.indiamart.com/mitecksystems/>

We are widely known to be amongst the leading manufacturers, suppliers of this commendable range of Valves & Dampers. In addition to this, we provide the finest Pest Management Services, at the best rate possible.

## About Us

Established in the year **2005**, **Miteck Systems Pvt. Ltd.**, is widely known to be amongst the leading manufacturers, suppliers of this commendable and diverse range of Valves & Dampers. Production of this range is done as per the set norms and guidelines, defined by the industry and using raw materials and technology of the highest grade. Because of this, the product's functionality, user friendly nature, strength and functional life, is widely praised. The finest Rotary Airlock Valves, Pug Mill Mixer and Bag Filters, which are widely praised and preferred in the market, make up this range. Further, the offered range is known to be marked at the most reasonable rate possible.

Our highly futuristic infrastructural facility, equipped with all the necessary machinery and amenities, facilitates the attainment of several organizational goals and objectives. For maximizing our reach in the market, we keep updating the facility on a regular basis. The facility, for reasons of better management of operations, has been parted into a number of units. These units, in the most efficient, dedicated and unit manner, help us generate greater productivity. In addition to this, our huge client base, is owing to our ethical working habits and abundance of industry ethics.

Under the leadership of our Managing Director, **Mr. Vivek Jade**, the firm has reached several heights of success in the past years. His understanding of the market,...
