We are counted as one of the leading manufacturers and suppliers of an alluring collection of Imitation Jewellery. We are one stop shop for all kinds of "BANGLES".

## About Us

Established in the year **2006**, we, “**Mithi Bangles**”, are a well-known organization, engaged in manufacturing and supplying a wide range of **Imitation Jewellery** . Our products are manufactured using optimum quality studs, stones and other raw material that are procured from reputed vendors of the market. The entire range is appreciated by the customers for its attractive finish, supreme polish, perfect cuts, exotic designs and long-lasting shine.

We have established a sophisticated infrastructure, which is located at **Mumbai, (Maharashtra-India)**, equipped with sophisticated technology and hi-tech machinery that are required for a flawless manufacturing of products. Besides, our manufacturing personnel are competent enough to design and meet the bulk orders of our clients within the predetermined time frame. Furthermore, we render tailor-made solutions to our clients and ensure that the products we are offering are in conformance with the current trend and styles of the market. By following the footsteps of our owner, '**Mr. Aalekh Jain**', we have been able to build a wide customer base across the domestic market. With his rich industry experience, we have been able to gain the trust and confidence of our valuable clients for a long term commitment.
