

MKR Industrial Automations & Services Private Limited

<https://www.indiamart.com/mkrindustrialautomations/>

MKRIASPL is a manufacturing, supplying and trading of DCS, PLC, HMI, SCADA, Drives and Safety Switches, our company has established a name of trust in the market. We offer services that includes AMC, PLC, SCADA & Programming Service

About Us

MKR Industrial Automation & Services Private Limited, established in the year **2008** has been registered as manufacturers, suppliers and traders of Motor Drives and Safety Switches. Well-tested design and superior quality has enabled Human Machine Interface, Programmable Logic Controllers and Motor Drives to gain much appreciation and success in the market. Precisely designed and manufactured with the aid of contemporary techniques, these are known for prolong functionality with low maintenance, robust enclosures, high accuracy and user-friendly operational value. Additionally, we are instrumental in offering our clients wide array of AMC, PLC and Programming Service.

All of our products are backed with an extremely strong infrastructural base and we offer customized solutions to our esteemed customers. We are comprised of a team of superbly talented dexterous professionals who do not fail to serve the company with the best of their abilities. We never shy away from implementing the upgraded technology in the work that we do in order to be at par with the latest trends in the market. Each product from our side goes through multiple rounds of quality checks before getting ready for dispatch and delivery. Time deliverance of products of some reputed brands such as SIEMENS, ABB, MITSUBISHI, DELTA, SCHNEIDER and OMRON is something that we pay utmost attention.

Under the ownership of **Mr. B. Mallikarjun**, we have grown from strength to...
